Environmental Policy

Instrument Transformers Limited is committed to minimising any adverse affects on the environment, which may result from its activities, processes or products.

- We shall where reasonably practicable, aim to:
- Minimise internal waste and any pollution to the environment.
- Recycle, re-use and recover packaging and other materials.
- Foster co-operation regarding environmental issues with our employees and our customers.

All ITL personnel are required to assist with the successful implementation of this Environmental policy.
